

300C Picture Window

Our most popular vinyl new construction window with Cambridge Flat Casing.

The 300C Picture window utilizes a New England Style 3 1/2" Cambridge Flat Casing which integrates a built-in J-channel pocket for siding and nail-fin for installation. (filler available). An elegant, classic look and advanced design with high thermal ratings and glazing package options that meet or exceed Energy Star requirements. Factory applied off the edge design ensures maximum weather protection.
